CLARITYCLOUD SAAS | MANAGEMENT INSIGHTS

FY2025 Financial Review | FY2026 Liquidity Outlook | INR millions

01 | REVENUE PERFORMANCE

+3.47%

Revenue exceeded the annual budget by INR 7.80m.

02 | EXPENSE MANAGEMENT

+7.40m

Combined HR and Marketing Budget overruns.

03 | CASH FLOW PERFORMANCE

-33.80m

FY2025 net cash movement; year-end cash of INR 16.20m.

04 | LIQUIDITY RISK

4 months

Below minimum reserve in downside scenario; 5% stress test leaves INR 0.27m headroom.

MANAGEMENT RECOMMENDATIONS

1. **Expense control:** Investigate HR and Marketing expense overruns.
2. **Cash-flow management:** Strengthen cash collection and working-capital monitoring.
3. **Liquidity planning:** Establish contingency funding options and review reserve headroom and forecast assumptions monthly.
